

Autism Provider Network of Northwest Ohio (APNNWO)

Non-Paying Attendee Agreement

The Autism Provider Network of Northwest Ohio (APNNWO) is a platform for providers to come together in dialogue to better serve individuals with autism and their families and caregivers.-

The objectives of APNNWO are:

- Expanding Community Awareness
- Supporting/promoting state advocacy efforts for policy changes
- Providing professional development for staff of provider agencies;
- Sharing and aggregating accurate and updated data that quantifies community needs
- Engage in professional dialogue which allows for sharing information and ideas

APNNWO is guided by operating principles to which all attendees adhere:

- Respect family and individual choice, and the spectrum of programs and services needed to meet the spectrum of needs.
- Respect one another's professionalism, competence, and commitment.
- Proactively learn about each other's programs and services and speak positively about each other's work, and make referrals where appropriate.
- Know each other as people who share a passion for our work and deep concern for those we serve.
- Engage in open, honest, constructive, and respectful dialogue.
- Demonstrate a commitment to fully participate for the benefit of those with autism, their families and caregivers, and our community.

Benefits of meetings:

- Ability to network with other autism professionals
- Opportunity to collaborate, share ideas, and stay current on local programs

Meeting Ground Rules

- Meetings will start and end on time
- Discussion about sensitive or controversial topics will be treated confidentially
- Attendees will judge ideas, not people
