FOR AUTISM

This year, we are stepping up our game.

In years past, 9 & Wine featured nine holes of golf followed by The Party IS. In keeping with social distancing, we're replacing our popular post-golf gathering in 2020 with another nine golf holes.

Played on the beautiful sprawling grounds of Brandywine Country Club, 9 & Wine Plus Nine golfers will enjoy 18 challenging and unique holes with prize opportunities and wine tastings on selected greens. And you'll be helping Avenues for Autism expand autism awareness and provide financial support for community services.

With one in 54 children diagnosed with autism, your support for Avenues is more critical than ever.* By sponsoring and/or participating in 9 & Wine Plus Nine, you'll help create a limitless future for everyone touched by autism.

With your financial help, we can continue our quest to meet the needs of our community. Your generous donation goes toward creating a future where everyone affected by autism can live without limits.

On behalf of Avenues and the families we serve, thank you for your consideration and support.

Sincerely,

Stacy Harper

This year's **9 and wine** may look a little different but it's still guaranteed to be a great time for a great cause. We've removed The Party IS portion of the evening and added in another nine holes of golf.
